THE MEDIVISION
DELUXE TRIAL FRAME

The Medivision Deluxe Trial Frame is a lightweight, precision-engineered ophthalmic trial frame designed for accurate subjective refraction. Constructed with a durable aluminum body and stainless-steel temples, it ensures long-lasting performance while providing excellent patient comfort. The frame accommodates up to four reduced-aperture trial lenses per eye and features smooth, precise adjustments for pupillary distance (PD), bridge position, and temple length, making it suitable for a wide range of adult patients.

APPLICATIONS

- Subjective Refraction
- Visual Acuity Testing
- Lens Power Verification
- Optometry and Ophthalmology Clinics
- Eye Hospitals and Optical Practices

SPECIFICATIONS

Frame Type:	Adult Trial Frame
Material:	Aluminum Body with Stainless-Steel Temples
Lens Capacity:	Up to 4 Lenses per Eye
Bridge Adjustment:	Horizontal & Vertical
Temple Adjustment:	Manual
Nose Adjustment:	Adjustable for Improved Patient Comfort

KEY FEATURES

- Lightweight aluminum body with stainless-steel temples
- Holds up to 4 trial lenses per eye
- Horizontal and vertical bridge adjustment
- Manually adjustable temple and nose length
- Smooth and accurate PD adjustment
- Comfortable ergonomic design for extended examinations
- Durable construction for daily clinical use
