REMIDIO INSTAREF, R20

REMIDIO INSTAREF, R20

The Instaref R20, with its sleek handheld form factor and weight of just 450gm, matches the performance of other popular autorefractors through its state-of-the-art Shack Hartmann technology.

- The Instaref R20's intuitive interface and audible tilt warning system ensures high repeatability with unrivalled ease.
- The Instaref R20 is both speedy and dependable, capturing 3 measurements per eye and rapidly computing a final result within a few seconds.
- Sleek, lightweight and ergonomic design ensures comfortable handling and convenient portability.
- Built-in audible guidance and clear display make it easy to use for all levels of users.
- Long battery life ensures extended usage for screening programs and clinical environments.
